Information about Advent calendars and 12 days of Christmas mini skein sets

Thank you for registering your interest in my advent calendars and 12 days of Christmas sets for 2018. All mini skeins are hand dyed by Kathryn Senior of Crafternoon Treats and all the 24/12 minis will be different colourways. I have sourced 100% biodegradable packaging (except the mailing bag) that is functional and fun. All the minis will be hand wrapped by me, with added treats and a hand written card.

Reserving a mini skein advent calendar or 12 Days of Christmas pack

Please email me at crafternoontreats@gmail.com with the following information

- 1 Your first and second choice of mini skein pack
- 2 Your location and your choice of shipping option

Reserved orders will be accepted on a first-come-first served basis. When I receive your email I will set up a reserved listing on Etsy within my shop. You will get the direct link to this so that you can check out and pay. The listing will remain live for 7 days, then your pack will be reoffered to people on the waiting list.

Please note that the reserved listing will contain your name and preorder only with no images. Technically, anyone can access reserved listings and snaffle the advent calendars but with no information this is unlikely. The full information about your order is contained in this document. If there are any changes to the packs you will be told by email (this is now also unlikely).

Delivery of your calendar

- All calendars required by international buyers will be shipped by the middle of October.
- All calendars going to UK buyers will be shipped by the end of October.

Please email me to let me know your package has arrived – but no peeking until December!!

Any questions please ask xxxxx
